Contacting us in a medical emergency

Reassurance – 24 hours a day, 365 days a year

Call +44 (0) 1892 513 999*

One phone call to the **International Emergency Medical Assistance Service (IEMAS)** from anywhere in the world can bring urgent help and medical advice to anyone covered by one of our travel policies who is sick or injured and in need of in-patient hospitalisation.† Facilities are available to evacuate a patient to a suitable hospital for treatment or bring them back home if medically required.

How to get help

IEMAS is manned 24 hours a day and, in most cases, will be able to give you immediate advice. The advisers can also make things easier by putting you in touch with an English-speaking doctor, if necessary, who may help arrange treatment locally and ensure that current arrangements are satisfactory. Please make sure that when you contact the helpline you have your membership number to hand.

To make a claim

It is very important that if anyone covered by this policy is admitted to hospital whilst abroad to try to ensure that:

- someone contacts us within 24 hours; and
- any medical expenses over £1,000 are authorised as soon as possible.

We understand that contacting us within 24 hours could be difficult. If you are travelling alone and cannot make a call to us yourself please ask a representative from the hospital to call us with your details as soon as possible. This will allow us to offer any useful information and translation requirements to the hospital and give you peace of mind so that you can concentrate on getting better.

To make a claim you will require proof of travel, for example, the booking invoice or airline ticket as well as all original receipts, medical report certificates and other relevant documents.

If you, or someone else covered by this policy, decide to cut short your trip and return home for medical treatment, or for an operation that doesn't involve an emergency admission to hospital, then your policy will not cover the cost of returning home.

**Please note – calls to all numbers may be recorded in case of subsequent query.*

†Please note – this service is strictly for medical emergencies only.

What to do if you need to make a claim

Request a claim form from the AXA PPP healthcare Travel Claims helpline.
To do this call:
(UK) 0845 602 0303 *(Overseas) +44 (0)1892 614200*.

- Complete the claim form in full and submit within 31 days of your return to your principal country of residence.
- Ensure all the necessary information is enclosed relevant to your claim.
- Include the original accounts, bills or receipts and proof of travel, such as a booking invoice or airline tickets.

Failure to supply these details may result in a delay in assessing your claim.

Send in the completed claim form and documentation to:
AXA PPP healthcare Travel, PO Box 400, Tunbridge Wells, Kent TN1 2WJ, UK.

Your claim will be assessed by one of our Personal Advisers and all eligible payments will be made.

AXA PPP healthcare Travel Claims Department will send you a claims benefit statement confirming the amount of benefit paid for each claim.

**Please note that calls may be recorded in case of subsequent query.*

The right thing to do if something goes wrong

Obviously we hope your overseas holiday or business trip goes without a hitch, but should a problem occur it will help us to process your claim much more quickly if you follow some simple procedures and send us all the right documents.

Here are the answers to some of our most frequently asked questions:

What if I have to cancel my trip because of illness?

Just ask your medical practitioner to complete and sign the medical certificate included in the AXA PPP healthcare cancellation claim form. You will need to send this to us along with your overseas trip booking invoice, receipt and cancellation invoice.

What if I have to cut short my holiday due to accident or illness?

Be sure to obtain the medical practitioners' letter confirming that it is necessary for you to curtail your trip and return home. We will also need your holiday booking invoice and receipt to support your claim.

What's the procedure if my baggage is lost, stolen, damaged or delayed?

If you lose your baggage or it is stolen, this must be reported to the police immediately and you should obtain a Police Report.

If your baggage is lost or damaged whilst being carried by an airline, railway or ship, report this in writing to the carrier as soon as possible (at least within three days). Make sure you receive a Property Irregularity Report or similar documentation. Please keep copies of any correspondence you send or receive, as well as the retained portion of the travel tickets and baggage tickets.

In the event of your baggage being damaged, obtain an estimate for the repair. If the article is not repairable, get a letter of confirmation from the repairers. Please retain the damaged item wherever possible.

To support a claim for damaged and lost items, we will require receipts showing the purchase price and date of purchase.

If your baggage is delayed for more than 12 hours, obtain written confirmation of this from the carrier. You will also need receipts to support your claim for any emergency purchases you have to make.

What if I lose my passport?

Report it to the police immediately and get a Police Report. If you incur costs when obtaining replacement documentation eg extra travel, unplanned accommodation or statutory charges, be sure to keep all your receipts.

What if my money is lost or stolen?

This should be reported to the police without delay – certainly within 24 hours of discovering the loss. Please obtain a Police Report.

If you have lost Travellers Cheques, you should report this immediately to the local branch, agent or issuing authority and apply to them for a refund. If, for any reason, you are unsuccessful in getting a refund, you will need a letter from them confirming this fact.

If you have lost your foreign currency, you will need evidence of conversion from the bank, such as a currency conversion bank slip.

If you have lost sterling or cheques, you will need confirmation of cancelled cheques and bank statements.

What if I fail to reach my departure point from my principal country of residence?

If your transport breaks down, please make every effort to reach your departure point on time. Should you still miss your flight, train, coach, ship, ferry or cross-channel train, get a receipt for any alternative transport needed to reach your destination. If public transport let you down, please obtain written confirmation from the carrier explaining the cause.

What if my outward or return journey is delayed for more than 12 hours?

Please obtain detailed confirmation from the carrier (or their handling agent) explaining the reasons for the delay, its precise duration and the original itinerary.

What if my holiday is delayed from my principal country of residence for more than 24 hours?

Please obtain detailed confirmation from the carrier (or their handling agent) explaining the reasons for the delay, its precise duration and the original itinerary.

What if I accidentally injure someone outside my immediate family and they wish to seek compensation?

We will require the name and address of the person injured; a full description of the injuries suffered; plus full details of the accident – including how, when and where it occurred.

1. Introduction and eligibility

Some words and phrases **we** use have special meanings and definitions. These meanings are set out in the section headed 'Definitions'. When **we** use any of these terms they are printed in bold. Except as added to or changed by section 2 of this document the words and phrases used in **International Travel Plan** have the same meanings as in your **policy**.

Introduction

1.1 Administration

We (AXA PPP healthcare) provide and administer this **International Travel Plan**. However, all claims are dealt with by a nominated claims administrator on **our** behalf.

1.2 International Travel Plan

You can obtain cover under **International Travel Plan** only if **you** have a current membership in one of **our** International private medical insurance policies. **International Travel Plan** is, except as specifically provided in this document, subject to the same terms and conditions as your **policy**.

1.3 Premiums

International Travel Plan requires the payment of a separate premium in addition to that for your **policy** (except where it is included in the **policy**). It is your responsibility to ensure that the premium is paid; no cover exists unless it has been received by **us**. This is particularly important if your **company** pays for your **policy** and/or your **International Travel Plan**. **You** must check with your **company** that all payments are up to date.

The premium is payable for the **year** and, except during any initial cancellation period, no refund of premium will be made if **International Travel Plan** is terminated no matter for what reason.

1.4 Renewal

International Travel Plan is current for a **year** and the renewal date for **International Travel Plan** is the same as for your **policy**. **You** can, however, purchase **International Travel Plan** at any time but (except where **International Travel Plan** is included as one of the benefits of your **policy**) **you** will have to pay a full **year's** premium for the remaining period up to the renewal date of your **policy**. **You** can then renew both your **policy** and **International Travel Plan** on the same date for future **years**.

Prior to the end of any **year**, provided the **policy you** are on is still available, **we** will write to **you** to let **you** know whether **we** wish to renew the **International Travel Plan** and, if so, on what terms. If **we** do not hear from **you** in response and **we** do wish to renew, then **we** may at **our** option assume that **you** wish to renew the current **International Travel Plan** on those new terms. Where **you** have opted to pay the premium by Direct Debit, continuous credit card payments or other payment method, **we** may continue to collect premiums by such method for the new **year**. Please note that if **we** do not receive your premium, **you** will not be covered.

If your **policy** terminates at any time for any reason **International Travel Plan** automatically terminates on the same date. This **International Travel Plan** is not available independently. If any **family member** ceases to be included in your **policy** this **International Travel Plan** ceases from the same date in respect of that **family member**.

If an **overseas journey** crosses a renewal date the premium due on renewal must be paid on or before that date or all cover under **International Travel Plan** is automatically cancelled at the end of the day preceding the renewal date.

1.5 Cancellation period

The **policyholder** may cancel this **policy** within 14 days of the renewal date (the cancellation period) by contacting **us** during the cancellation period. **We** will then return any premium paid for the **policy** providing no claims have been made on the **policy** in relation to the period of cover before cancellation (being no more than 14 days' cover). If **you** incur **eligible** claims costs within that period of cover **we** reserve the right to require the **policyholder** to pay for the services **we** have actually provided in connection with the **policy** to the extent permitted by law and any return of premium is subject to this. If the **policyholder** does not cancel the **policy** during the cancellation period the **policy** will continue on the terms described in this handbook for the remainder of the **policy year**. These cancellation rights do not apply if your travel **policy** is automatically included as part of your AXA PPP healthcare private medical insurance **policy** or if your employer pays for your travel **policy**.

1.6 Level of cover

The Claims Conditions on page 12 and General Exclusions on page 13 apply to the whole of your **International Travel Plan**. Each Section states the level of benefits payable and any limits, conditions and exclusions applying specifically to that Section.

Please consult the Benefits Table on page 2 and the relevant Sections of this membership agreement for details of the maximum sums payable and the limitations applying to your cover.

1.7 Third Party Rights

Only **you** and **we** have legal rights under this **policy** and it is not intended that any clause or term of this **International Travel Plan** should be enforceable, by virtue of the Contact (Rights of Third Parties) Act 1999, by any other person.

Eligibility

1.8 Family members

You must include the other **family members** from your **policy** in **International Travel Plan**, except that unmarried children cannot be included in the **International Travel Plan** after the renewal date following their 21st birthday (or 23rd birthday if they are in full-time education).

1.9 Cover

We can refuse to give or renew cover or **we** can make cover subject to specific conditions or limitations.

3. Conditions and exclusions

3.1 Commencement of cover

Section 1 – Additional travel and accommodation expenses

Section 2 – Personal accident

Section 3 – Personal baggage, personal money and loss of passport

Section 8 – Legal expenses

Section 9 – Personal liability

Each **period of cover** begins when the **insured member** passes through passport control of the **station**, port or airport in the **principal country of residence** to commence an **overseas journey** and continues until the time of exit from passport control of the **station**, port or airport on arrival back in the **principal country of residence** on completion of the **overseas journey** (see also 'Time limits' on page 12).

Section 4 – Loss of deposits, cancellation and curtailment

In respect of Section 4 (loss of deposits or cancellation) the **period of cover** commences immediately a booking for an **overseas journey** has been made (or on the date upon which **International Travel Plan** is effected if later) and terminates on the date on which the **overseas** journey starts.

Sections 5 – Delayed departure or extended delay

In respect of Section 5 (delayed departure or extended delay) the **period of cover** operates from the time the **insured member** was required by the relevant itinerary to check-in at the departure point until the booked **train, aircraft** or sea vessel actually departs.

Section 6 – Missed departure

In respect of Section 6 (missed departure) the **period of cover** operates from the time the **insured member** begins the journey until arrival at the departure point.

When **International Travel Plan** is first purchased for any **member** a **period of cover** shall not operate in respect of any **overseas journey** already commenced.

3.2 Time limits

3.2.1 Maximum length of an overseas journey

Each **period of cover** is limited to a maximum of 95 consecutive days or to the maximum number of days for which your **policy** gives cover outside the **area of residence**.

Except as provided specifically by 'Automatic extension' below, there is no cover under **International Travel Plan** for any **overseas journey** which lasts, or which was planned or expected to last, more than 95 days (or any relevant lesser period) even if the **period of cover** crosses a renewal date.

While there is no limit to the number of **overseas journeys** which may be undertaken there is an overall aggregate maximum of 183 days' cover during any **insured period** (unless your **policy** provides a lesser **period of cover** outside the **area of residence** in which case cover is limited to that period).

3.2.2 Automatic extension

The **period of cover** will automatically be extended (provided **International Travel Plan** remains in force and has, if necessary, been renewed) if, for unavoidable reasons the **insured member** is unable to complete an **overseas journey** before the **period of cover** has expired. By this **we** mean the inability to travel for medical reasons or for reasons beyond your control where there is no available scheduled public transportation. The extension will be for such period of time as is reasonably necessary to enable the **overseas journey** to be completed.

3.3 Cancellation

We may cancel this **International Travel Plan** by writing to **you** at your last known address by recorded delivery giving 14 days notice.

3.4 Variations

No employee, agent or broker has any authority to change the terms of this **International Travel Plan** or to waive any of its provisions.

3.5 Family members

When **you** deal with **us** **you** are acting on behalf of any **family member** included in this **International Travel Plan**.

3.6 Fraud

You must not act in a fraudulent manner.

If **you** or any **insured member** or anyone acting on behalf of an **insured member**:

- make a claim under the **International Travel Plan** knowing the claim to be false or exaggerated in any respect; or make a statement in support of a claim knowing the statement to be false in any respect; or
- submit a document in support of a claim knowing the document to be forged or false in any respect; or
- make a claim in respect of any loss or damage caused by your wilful act or your connivance

then

- **we** shall not pay the claim;
- **we** shall not pay any other claim which has been or will be made under the **International Travel Plan**;
- **we** may at our option declare the **International Travel Plan** void;
- **we** shall be entitled to recover from **you** the amount of any claim already paid under the **International Travel Plan** since the last renewal date;
- **we** shall not make any return of premium;
- **we** may inform the police of the circumstances.

3.7 Governing law

People entering into an agreement are allowed to choose which law it is to be governed by. **We** only enter into agreements if they are governed by English law and this **International Travel Plan** is therefore subject to the laws of England and Wales. The English courts have jurisdiction.

3.8 Language

This **International Travel Plan** is written in English and all other information and communications to **you** relating to this **International Travel Plan** will also be in English.

4 Claims conditions

4.1 Proof

You will be required to provide all necessary proofs, including proof of travel and the dates, when making a claim. **You** will also have to provide, at your expense, all relevant original receipts, certificates, information and evidence reasonably required by **us** to enable the claim to be assessed.

We reserve the right to undertake appropriate investigations to find out more about your claim. **We** will pay any fee involved for such investigations. However, this reservation does not relieve **you** of any obligations to provide the documents and information referred to above.

4.2 Proceedings against third parties

We may, at our own expense, take proceedings in the insured member's name to recover compensation from any third party in respect of any indemnity paid under International Travel Plan. The insured member must give such assistance as we shall reasonably require; any amount recovered shall belong to us.

4.3 Excess

Where we do not pay the first amount of any claim it cannot be claimed against the policy.

4.4 Reasonable care

We are entitled to refuse to pay any claim unless the insured member exercises all reasonable care to prevent accident, injury, illness, loss or damage.

5. Making a claim

If anything happens which gives rise to a claim under International Travel Plan you must contact us through the telephone number given below within 31 days of your return to your principal country of residence. You will be asked to give us full details of the claim including the section under which you are claiming.

AXA PPP healthcare:

Telephone: +44 (0) 1892 614 200

Fax: +44 (0) 1892 614 250

We assess claims made in a non-sterling currency by converting the amount claimed into sterling. We will use the exchange rate published in the Financial Times Guide to World Currencies current when we assess the claim. Alternatively we will use the exchange rate used by your bank or credit card company if the insured member provides us with the relevant bank or credit card statement relating to the claim.

Please remember

You must complete your claim within 31 days of the completion of the overseas journey.

You must provide proof of travel and all relevant original receipts and reports.

PLEASE ENSURE YOU KEEP THIS DOCUMENT IN A SAFE PLACE TOGETHER WITH YOUR INTERNATIONAL TRAVEL PLAN MEMBERSHIP STATEMENT IN CASE YOU NEED THEM TO MAKE A CLAIM. BEAR IN MIND THAT YOU WILL ALSO NEED TO REFER TO YOUR POLICY TERMS AND THE TERMS OF INTERNATIONAL EMERGENCY MEDICAL ASSISTANCE.
