3 How to contact us in a medical emergency

International Emergency Medical Assistance Service

Available to you 24 hours a day, 365 days a year

Call +44 (0) 1892 513 999* from anywhere in the world

What is the International Emergency Medical Assistance Service (IEMAS)?

IEMAS is a service that can bring urgent help and medical advice. They are also able to evacuate a patient to a suitable hospital for treatment or bring them back home if medically required.

Who can use this service?

Anyone covered by one of our travel policies who is sick, or injured, and needs to be admitted to hospital as an in-patient.

Please note:

This service is strictly for medical emergencies only.

How to get help

IEMAS is manned 24 hours a day. In most cases our advisers will be able to give you advice straight away. If necessary, they can put you in touch with an English-speaking doctor. The doctor may help arrange local treatment and ensure that arrangements are satisfactory. When you contact the helpline, please make sure you have your membership number to hand.

How to make a claim

If anyone covered by this policy is admitted to hospital whilst abroad, it is very important to ensure that:

- someone contacts us within 24 hours; and
- any medical expenses over £1,000 are authorised as soon as possible.

We understand that contacting us within 24 hours could be difficult. If you are travelling alone and cannot make a call to us yourself, please ask a representative from the hospital to call us with your details as soon as possible. We can then offer any useful information and translation requirements to the hospital and you can concentrate on getting better.

Please note:

To make a claim you will need proof of travel. For example the following types of document:

- the booking invoice or airline ticket (as well as all original receipts)
- medical report certificates; and
- other relevant documents.

Your policy will not cover the cost of returning home if you, or someone else covered by this policy, decide to cut short your trip and return home for medical treatment or for an operation that doesn't involve an emergency admission to hospital.

*Please note – we may record and/or monitor calls for quality assurance, training and as a record of our conversation.

4 What to do if you need to make a claim

Step One	Request a claim form from the AXA PPP healthcare Travel Claims helpline. To do this call: (UK) 0345 602 0303 (Overseas) +44 (0)1892 614200. <i>We may record and/or monitor calls for quality assurance, training and as a record of our conversation.</i>
Step Two	Complete the claim form in full and submit within 31 days of your return to the UK (unless this is not reasonably possible). <ul style="list-style-type: none">• Ensure all the necessary information is enclosed relevant to your claim.• Include the original accounts, bills or receipts and proof of travel, such as a booking invoice or airline tickets. <i>Failure to supply these details may result in a delay in assessing your claim.</i>
Step Three	Send in the completed claim form and documentation to: AXA PPP healthcare Travel, PO Box 400, Tunbridge Wells, Kent TN1 2WJ.
Step Four	Your claim will be assessed by one of our Personal Advisers and all eligible payments will be made.
Step Five	AXA PPP healthcare Travel Claims Department will send you a claims benefit statement confirming the amount of benefit paid for each claim.

5 The right thing to do if something goes wrong

We hope your trip goes smoothly, but if something does happen, we can deal with your claim much more quickly if you know exactly what to do. Therefore, here are the answers to some frequently asked questions:

What if I have to cancel my trip because of illness?

Just ask your doctor to complete and sign the medical certificate included in the AXA PPP healthcare cancellation claim form. You will need to send this to us along with your overseas trip booking invoice, receipt and cancellation invoice.

What if I have to cut short my holiday due to accident or illness?

Be sure to obtain a doctor's letter confirming that you need to curtail your trip and return home. We will also need your holiday booking invoice and receipt to support your claim.

What should I do if I'm injured or taken ill during my holiday?

Immediately arrange for any treatment you need, but please be sure you contact us as soon as possible for authorisation before incurring any medical expenses over £1,000. You must obtain a detailed receipt for all the treatment that you receive.

What if the injury or illness prevents me returning home as planned?

Please get written confirmation from the doctor who is treating you, that you are unfit to travel at the scheduled time.

What should I do if another party is responsible for some of my claims costs?

You must contact us if you are able to recover any part of your claims costs from any other party, for example if you have another insurance policy, cover through a state healthcare system or are legally entitled to recover costs from another third party. We will only pay our proper share.

Important note:

If you need to stay in hospital for more than 24 hours, someone must contact International Emergency Medical Assistance on +44 (0)1892 513 999 as soon as possible to advise us of the details.

Should you incur any additional expenses for travel and accommodation, please keep your receipts.

What's the procedure if my baggage is lost, stolen, damaged or delayed?

If you lose your baggage or it is stolen, report this to the police immediately and get a Police Report.

If your baggage is lost or damaged whilst being carried by an airline, railway, coach or ship, report this in writing to the carrier as soon as possible (at least within three days). Make sure you receive a Property Irregularity Report or similar documentation. Please keep copies of any correspondence you send or receive, as well as the retained portion of the travel tickets and baggage tickets.

In the event of your baggage being damaged, obtain an estimate for the repair. If the article is not repairable, get a letter of confirmation from the repairers. Please retain the damaged item wherever possible.

To support a claim for damaged and lost items we will require receipts showing the purchase price and date of purchase.

If your baggage is delayed for more than 12 hours, get written confirmation of this from the carrier. You will also need receipts to support your claim for any emergency purchases you have to make.

What if I lose my passport?

Report it to the police immediately and get a Police Report. If you incur costs when obtaining replacement documentation e.g. extra travel, unplanned accommodation or statutory charges, be sure to keep all your receipts.

What if my money is lost or stolen?

Report this to the police without delay – certainly within 24 hours of discovering the loss. Please get a Police Report.

If you have lost Travellers Cheques you should report this immediately to the local branch, agent or issuing authority and apply to them for a refund. If, for any reason, you are unsuccessful in getting a refund, you will need a letter from them confirming this fact.

If you have lost your foreign currency you will need evidence of conversion from the bank, such as a currency conversion bank slip.

If you have lost sterling or cheques you will need confirmation of cancelled cheques and bank statements.

What if I miss my plane, train, coach or ferry because of a transport breakdown?

If your transport breaks down, please make every effort to reach the point of departure from or return to the UK on time. Should you still miss your flight, train, coach, ship, ferry or cross-channel train, get a receipt for any alternative transport needed to reach your destination. If public transport let you down, please obtain written confirmation from the carrier explaining the cause.

What if my outward or return journey is delayed for more than 12 hours?

Please obtain detailed confirmation from the carrier (or their handling agent) explaining the reasons for the delay, its precise duration and the original itinerary.

What if I accidentally injure someone outside my immediate family and they wish to seek compensation?

We will require the name and address of the person injured; a full description of the injuries suffered; plus full details of the accident – including how, when and where it occurred.

Why do you advise obtaining a European Health Insurance Card?

If you are travelling to any of the countries in the European Economic Area*, a European Health Insurance Card entitles you to free health benefits. Application forms are available from any main Post Office. If you obtain a European Health Insurance Card before you travel – and use it to reduce the cost of a claim for medical expenses – we will not deduct the normal excess charge from your claim.

*Includes Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Republic of Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and UK. 1 Introduction, cover levels and eligibility

Some words and phrases we use have special meanings and definitions. These meanings are set out in the section headed '**Definitions**'. When we use any of these terms they are printed in bold.

Introduction

1.1 Administration

We (AXA PPP healthcare) provide and administer this **travel policy**. However some claims may be dealt with by nominated administrators on our behalf.

1.2 Period of insurance

This **travel policy** is in force for a **year**, subject to the time limits referred to in paragraph 3.2.

1.3 Premiums

It is your responsibility to ensure that the premium for this **travel policy** is paid in advance for the **year**; no cover exists unless we have received it. (This is particularly important if your employer pays for your **travel policy**. You must check with your employer that all payments are up to date).

1.4 Renewal

If an **overseas journey** crosses a renewal date, the premium due on renewal must be paid on or before the renewal date. If the premium is not paid, all cover under this **travel policy** will automatically be cancelled at the end of the day preceding the renewal date.

This **travel policy** is for one **year**. Before the end of any **year**, provided the policy you are on is still available, we will write to you to let you know whether we wish to renew the **travel policy** and, if so, on what terms. If we do not hear from you in response and we do wish to renew, then we may at our option assume that you wish to renew the current **travel policy** on those new terms. Where you have opted to pay the premium by Direct Debit or other payment method, we may continue to collect premiums by such method for the new **year**. Please note that if we do not receive your premium, you will not be covered.

1.5 Cancellation period

The policyholder may cancel this **travel policy** within 14 days of the renewal date (the cancellation period) by contacting us during the cancellation period. We will then return any premium paid for the **travel policy** providing no claims have been made on the **travel policy** in relation to the period of cover before cancellation (being no more than 14 days' cover). If you incur **eligible** claims costs within that period of cover we reserve the right to require the policyholder to pay for the services we have actually provided in connection with the **travel policy** to the extent permitted by law and any return of premium is subject to this. If the policyholder does not cancel the **travel policy** during the cancellation period the **travel policy** will continue on the terms described in this handbook for the remainder of the **policy year**. These cancellation rights do not apply if your **travel policy** is automatically included as part of your AXA PPP healthcare private medical insurance policy or if your employer pays for your **travel policy**.

1.6 Level of cover

There are three levels of cover available:

Standard Travel Plan – for European travel

Comprehensive Travel Cover – for Worldwide travel

Luxury Travel Service – for Worldwide travel

The General Conditions on page 18 and General Exclusions on pages 22–24 apply to the whole **travel policy** and all levels of cover.

1.7 Changing level of cover

If you wish to upgrade your cover during a **year** (for example, from European to Worldwide cover), you should contact AXA PPP healthcare's travel department. Your existing **travel policy** will then be upgraded for the remainder of the outstanding **insured period**.

Please note: If you upgrade your cover during the year, you will be required to pay the full difference between the annual premium for your existing cover and the annual premium for the new level of cover. It is your responsibility to ensure that the additional premium is paid even if your company pays for your travel policy. Your upgraded cover will not commence until we have received the additional premium.

If you wish to downgrade your **travel policy**, you may only do so at renewal.

Eligibility

1.8 Family members

You can, if you wish, include **family members** in your **travel policy**. If your **travel policy** is included as part of your AXA PPP healthcare private medical insurance policy you can only add **family members** to your **travel policy** if they are included on your private medical insurance policy.

1.9 Residency in the United Kingdom

This **travel policy** is only available to residents of the **United Kingdom**.

There is no cover under Section 1 – Medical benefit and Section 4 – Curtailment if the **insured member** is not medically fit to travel.

If the **insured member** is terminally ill (by which we mean has a life expectancy of below one year at the start of the **overseas journey**) we will not pay claims under Section 1 – Medical benefit and Section 4 – Curtailment caused directly or indirectly by that terminal illness.

3.3 Automatic extension

The **period of cover** will automatically be extended if, for unavoidable reasons, the **insured member** is unable to complete an **overseas journey** before the **period of cover** has expired. By this we mean the inability of an **insured member** to travel for medical reasons or for reasons beyond the **insured member's** control where there is no available scheduled public transportation. The extension will be for such period of time as is reasonably necessary to enable the **overseas journey** to be completed.

If this period extends beyond your renewal date, you will need to renew your cover.

3.4 Cancellation

We may cancel this **travel policy** by writing to you at your last known address by recorded delivery giving 14 days notice.

3.5 Variations

No employee, agent or broker has any authority to change the terms of the **travel policy** or to waive any of its provisions.

3.6 Family members

When you deal with us you are acting on behalf of any **family member** included in this **travel policy**.

3.7 Fraud

You must not act in a fraudulent manner.

If you or any **insured member** or anyone acting for you or for an **insured member**:

- make a claim under the **travel policy** knowing the claim to be false or exaggerated in any respect; or
- make a statement in support of a claim knowing the statement to be false in any respect; or
- submit a document in support of a claim knowing the document to be forged or false in any respect; or
- make a claim in respect of any loss or damage caused by your wilful act or with your connivance

Then

- we shall not pay the claim
- we shall not pay any other claim which has been or will be made under the **travel policy**
- we may at our option declare the **travel policy** void
- we shall be entitled to recover from you the amount of any claim already paid under the **travel policy** since the last renewal date
- we shall not make any return of premium
- we may inform the police of the circumstances.

3.8 Third Party rights

Only you and we have rights under this **travel policy** and it is not intended that any clause or term of this **travel policy** should be enforceable, by virtue of the Contract (Rights of Third Parties) Act 1999, by any other person.

3.9 Governing law

People entering into an agreement are allowed to choose which law it is to be governed by. We only enter into agreements if they are governed by English law and this **travel policy** is therefore subject to the laws of England and Wales. The English courts have jurisdiction.

3.10 International sanctions

We will not do business with any individual or organisation that appears on an economic sanctions list or is subject to similar restrictions from any other law or regulation. This includes sanction lists, laws and regulations of the European Union, **United Kingdom**, United States of America or under a United Nations resolution. We will immediately end cover and stop paying claims on your **policy** if you or a **family member** are directly or indirectly subject to economic sanctions, including sanctions against your country of residence. We will do this even if you have permission from a relevant authority to continue cover or premium payments under a **policy**. In this case, we can cancel your **policy** or remove a **family member** immediately without notice, but will then tell you if we do this. If you know that you or a **family member** are on a sanctions list or subject to similar restrictions you must let us know within 7 days of finding this out.

3.11 Language

This **travel policy** is written in English and all other information and communications to you relating to this **travel policy** will also be in English.

We assess claims made in a non-sterling currency by converting the amount claimed into sterling. We will use the exchange rate published in the Financial Times Guide to World Currencies current when we assess the claim. Alternatively we will use the exchange rate used by your bank or credit card company if the **insured member** provides us with the relevant bank or credit card statement relating to the claim.

Please remember: You must submit your claim within 31 days of the completion of the **overseas journey** (unless this is not reasonably possible).

(a) Proof

You will be required, when making a claim, to provide all necessary proofs, including proof of travel for your **overseas journey** and the dates on which travel occurred or was scheduled to occur. You will also have to provide, at your expense, all relevant original receipts, certificates, information and evidence reasonably required by us to enable the claim to be assessed.

(b) Investigation

We reserve the right to undertake appropriate investigations to find out more about your claim. We will pay any fee involved for such investigations. However, this reservation does not relieve you of any obligations to provide the documents and information referred to above.

(c) In-patient treatment

If it is necessary for an **insured member** to be an in-patient during an **overseas journey**, we must be told immediately. If we are not told immediately and there was no adequate reason for the failure to do so, we shall be entitled to refuse to pay any claim, or to pay up to the standard fee that would usually be charged for the **treatment** you are receiving, in the country in which you are receiving it.

(d) Medical expenses over £1000

In respect of any claim under Section 1 (Medical Benefits), we may refuse to pay any amount in excess of £1,000 unless the **insured member** contacts us before incurring such expenses, or in the event that it is not possible to do so, as soon as is reasonably practicable thereafter.

(e) **Treatment in the United Kingdom**

We will not pay for any costs under Section 1A (Medical and Additional Expenses) for **treatment** incurred in your **home area**.

(f) **Third Party recoveries**

We may, at our own expense, take proceedings in the **insured member's** name to recover compensation from any third party in respect of any indemnity paid under this **travel policy**. The **insured member** must give such assistance as we shall reasonably require and any amount recovered shall belong to us.

(g) **Excess**

The £50 excess will be applied to each **insured member** of the policy who is claiming, for each eligible claim under each section. This may mean more than £50 per person per claim may be requested as one claim may include more than one benefit.

Except for those benefits marked with an '*' or a '+', an excess of £50 automatically applies.

Please note: where we do not pay the first amount of any claim, it cannot be claimed against any other insurance policy which the **insured member** may have with AXA PPP healthcare.

(h) **Reasonable care**

We are entitled to refuse to pay any claim unless the **insured member** exercises all reasonable care to prevent accident, injury, illness, loss or damage.

Please ensure that you keep this document in a safe place together with your **travel policy** membership statement in case you need them to make a claim.

If you have any queries you can contact us at the address or telephone number shown in this handbook.
