# Important changes to your cover

**We regularly review our plans and often update them to improve your cover or to make your cover clearer. This leaflet tells you about the more significant changes we've made.**

**If you'd like to talk to us about anything in this leaflet, please call us on 01892 544 444.**

## **War and terrorism risks**

We've amended our rules around when you need to cancel or cut your trip short because of war and terrorism risks. As long as you booked your trip before the Foreign and Commonwealth Office (FCO) issued advice against travelling to that country or area, you will be able to claim under the 'Cancellation and Curtailment' section of your policy.
